Attendees: Ian Barry, Sean Littler, Anthony Klatt, Dan Anderson, Scott Hughes, Martin Smallridge, Bill Walter

Apologies:

1. **Country Carnival Recap**

The HTA had great participation levels and the event was highly successful without issues arising. HTA won the John Fitzgerald Shield with 10 – 16 and under Div 1 teams winning titles.

2. **Closed Tournament**

About 100 players participated in the tournament and was a great event. The incorporation of having Hayley Edwards, Rebecca and Jacqueline Smith assisting in the tournament with programming, announcing and putting the results worked well. In the future Anthony will enquire if this tournament can obtain a program to allow live results to be viewed online.

3. **Compass Draw**

The Compass Draw is coming along well but there are still some teams without managers which means that the JAC is still looking for some parents that are happy to help.

4. **Foundation Cup**

Anthony will be coordinating trials the weekend before Easter (28<sup>th</sup>/29<sup>th</sup> March) which will be held at Anembo Park. This may be moved back now to a date tbc.

5. **Winter Pennant Update**

Registrations for winter junior tennis to be done online and need to finalise by the 20<sup>th</sup> March as teams must be nominated by the 1<sup>st</sup> April. Currently online registrations can be done via the HTA website which are going to Ian who is uploading all registrations on a spreadsheet to be accessed later by Bill for team selection.

6. **Finals OOM and Permits**

Teams were checked prior to the meeting and any issues were brought up and discussed. Individual emails to clubs that have issues and need to make changes will be sent out by Dan. Many clubs need to ensure that OOM changes in upcoming weeks to ensure that it meets the nominated OOM.
